

Company Overview

Sweeper is a Service Disabled Veteran Owned Small Business (SDVOSB) that provides comprehensive janitorial and facility maintenance services across the nation. With over **23 Years of Experience**, Sweeper specializes in maintaining clean, safe, and inviting environments for commercial and government facilities.

From routine janitorial services to specialized pressure washing and window cleaning, Sweeper is equipped to meet the diverse needs of federal agencies and commercial enterprises.

Our commitment to excellence, coupled with our experienced team and state-of-the-art equipment, ensures that we deliver reliable and high-quality services every time.

Core Competencies

- **Janitorial Services:** Daily and periodic cleaning tailored to each facility's requirements, including offices, medical facilities, and industrial sites.
- **Pressure Washing:** Specialized pressure washing for building exteriors, parking lots, walkways, and other high-traffic areas to maintain cleanliness and curb appeal.
- **Window Cleaning:** Professional window cleaning services for commercial buildings, ensuring streak-free and crystal-clear windows that enhance overall appearance.

Differentiators

- ✓ **Nationwide Service Availability:** Sweeper offers services across the U.S., ensuring federal and commercial clients can rely on our consistent service regardless of location.
- ✓ **Service-Disabled Veteran-Owned Business:** Certified as a SDVOSB, Sweeper offers set-aside benefits to federal contracting officers while providing exceptional service backed by military precision and discipline.
- ✓ **Tailored Solutions:** Sweeper customizes its cleaning and maintenance services to fit the unique needs of each client, ensuring cost-effective and efficient results.
- ✓ **Trained and Certified Personnel:** Our team undergoes rigorous training and is certified to handle sensitive environments, such as healthcare facilities, ensuring compliance with federal and industry standards.
